## ROAD CONSTRUCTION

### Edwards Road at Wasson Road

**November 18, 2008**

Duke Energy will be continuing its gas main installation on Edwards Road in Hyde Park. The next portion of the installation will require tunneling beneath the railroad tracks south of Wasson Road. This will take place on Tuesday, November 18, 2008 from 9:00 AM until approximately 1:00 AM on Wednesday, November 19, 2008. The operation will prohibit traffic from turning onto Wasson Road from southbound Edwards Road and also from westbound Wasson Road onto southbound Edwards Road.

A detour route to Wasson Road will be posted using Edwards Road to Erie Avenue to Paxton Avenue.

METRO BUS SERVICE THAT NORMALLY USES THIS AREA WILL BE DETOURED AROUND THE CLOSURE. RIDERS SHOULD FOLLOW INSTRUCTIONS POSTED AT THEIR STOP OR USE THE NEAREST STOP OUTSIDE THE CLOSURE AREA.

**Drivers are encouraged to reduce their speed and use caution when approaching the closure area.**
